where such removal occurs). The Director may grant prior approval for grading at a location other than the establishment of slaughter or initial chill upon notification to the Division if the Branch was unable to provide grading service in a timely manner and that the meat can be identified in conformance with the standards.

[42 FR 53921, Oct. 4, 1977, as amended at 45 FR 51762, Aug. 5, 1980. Redesignated at 46 FR 63203, Dec. 31, 1981]

§54.14 Official certificates.

(a) Agricultural Products Certificate Form LS-5-3 (Figure 1) is the official certificate for products under the regu-

lations. The official grader shall prepare, sign, and issue an Agricultural Products Certificate Form LS-5-3 covering products for which that grader determined final specification compliance. Where weight or count is verified, the grader shall initial in the block titled "Weights and Total Count Verified."

(b) Applicant Charges Certificate Form LS-5-5 (Figure 2) will be used to reduce paperwork for applicants assigned multiple graders. Assigned graders will complete one Form LS-5-5. Each grader will enter their code letters and signature in the appropriate location(s) to indicate certificate completion.

(c) Distribution. The original certificate, and not to exceed two copies, shall be delivered or mailed to the applicant or other person designated by him. The remaining copies shall be forwarded as required by agency, division, and branch instructions. Additional copies will be furnished to any person financially interested in the products involved with the concurrence of the applicant and upon payment of fees, as provided in §54.27.

[42 FR 53921, Oct. 4, 1977. Redesignated at 46 FR 63203, Dec. 31, 1981, and amended at 51 FR 590, Jan. 7, 1986; 61 FR 11506, Mar. 21, 1996]

§54.15 Advance information concerning service rendered.

Upon request of any applicant, all or any part of the contents of any certificate issued to him under the regulations, or other notification concerning the determination of class, grade, other quality, or compliance of products for such applicant may be transmitted by telegraph or telephone to him, or to any person designated by him, at his expense.

§54.16 Marking of products.

All products for which class and grade under the standards in Subpart B of this part, or compliance, is determined under the regulations, or the immediate and shipping containers thereof, shall be stamped, branded, or otherwise marked with an appropriate official identification: *Provided*, That except as otherwise directed by the Chief, such marking will not be required when an applicant only desires official certificates. The marking of products, or their containers, as required by this section shall be done by official graders or under their immediate supervision.

§54.17 Official identifications.

(a) A shield enclosing the letters "USDA" and code identification letters of the grader performing the service, as shown below, constitutes a form of official identification under the regulations for preliminary grade of carcasses

Figure 1.

(b) A shield enclosing the letters "USDA" as shown in Figure 1 with the appropriate quality grade designation "Prime," "Choice," "Select," "Good," "Standard," "Commercial," "Utility," "Cutter," "Canner," or "Cull," as provided in the official United States Standards for Grades of Beef, Veal and Calf, Lamb, Yearling Mutton, and Mutton Carcasses and accompanied by the class designation "Bullock," "Veal," "Calf," "Lamb," "Yearling Mutton," or "Mutton," constitutes a form of official identification under the regulations to show the quality grade, and where necessary the class, undersaid standards, of steer, heifer, and cow beef, veal, calf, lamb, yearling mutton and mutton. The code identification letters of the grader performing the service will appear intermittently outside the shield.

Figure 2

(c) A shield enclosing the letters "USDA" and the words "Yield Grade," as in Figure 1, with the appropriate yield grade designation "1," "2," "3", "4," or "5" as provided in the Official United States Standards for Grades of Fresh Beef Carcasses and the Official United States Standards for Grades of Lamb, Yearling Mutton, and Mutton Carcasses constitutes a form of official identification under the regulations to show the yield grade under said standards. When yield graded, bull and bullock carcasses will be identified with
